IM Reputation & Work Ethic:-

As a fully approved company member of the NICEIC, we strive to exceed the standards demanded by our approver, and we constantly aim to improve our standards by training our staff intently and expanding our knowledge base. We run jobs efficiently and cleanly with the utmost care, quality and safety. We will recycle all materials where possible to minimise the impact on our environment. We work ethically and treat our clients and staff with respect, honesty and integrity.

Why Choose IM?:-

We thoroughly enjoy the jobs we do! We strive to achieve the demands of our customers and we do so ensuring quality, cleanliness and efficiency. We are here for the long term – we intend to be your best choice, loyal electrical service.

Background Information:-

IM Electrical was originally set up in 1984 by managing director Ian Morris, following his initial training in the signalling department of the London Underground. The company grew steadily over the years, taking on its trusty employees along the way until it became an NICEIC approved company. It has always had a high demand for its services but always tries to deal with its clients on a personal level whilst completing all contracts professionally and diligently.

Client Base:-

We have a large client base, some of which include the following:

- Workspace
- B&Q
- Little Unicorn Day Nurseries
- Ealing Hospital
- Military Establishments
- British Aerospace
- Various Schools & Colleges

BRITISH AEROSPACE
